

Let's Celebrate Harvest!

This year we will be holding an art competition to encourage children's creativity and understanding of healthy eating. We are asking children to design a piece of art entitled: 'My healthy lunchbox'

We have given you a lunchbox template to use, if you wish, but designs can be created in any media and can be 2D or 3D. The closing date for entries is Thursday 22nd October.

The school council will award prizes for the best designs from each class on 23rd October.

Entry is free and open to all pupils.
