## Voice in a Million

A huge well done to all the children and staff for their amazing efforts at the Wembley SSE Arena last night. The staff and children took part in the annual Voice in Million singing concert with around 9000 other children from around the country. The children made us all very proud and it was so wonderful to see them enjoying the whole experience.

## Parent workshops

On Wednesday 22nd March, we will be offering parents the opportunity to come along to our free evening workshops. We will be offering three, thirty minute workshops on the same evening which are for Kinetic letters (our school handwriting approach); phonics to help your child with reading and writing and supporting your child with maths at home. There will be resources linked to each workshop that you can take away to use at home with your child. The timings for each workshop are detailed below and all sessions will be held in the school hall. You can attend all 3 or you can attend just 1 session, whatever you will find the most useful.

6pm - 6:30pm Kinetic letters handwriting approach

6:35pm - 7:05pm Phonics

7:10pm - 7:40pm Maths

We hope you are able to support your child by attending these sessions.

### **Breakfast club**

Please can we remind you that our breakfast club does not start until 8am and children will not be admitted into school until this time. Our breakfast club costs £2.50 per day or £10 for the week per child. Children will be given the choice of a several healthy breakfast options and will then be able to access the structured opportunities which change on a weekly basis.

### **Listening to your child read**

Reading is a key part of our early and ongoing education. Please can we ask that when you hear your child read at home that you record this in their reading/homework diary. Thank you.

### **Ignis class visit to the Mandir**

On Friday 17th March, the children in Ignis class will be visiting a local Hindu temple (Mandir) in Milton Keynes. This children will need to come to school at usual time, in school uniform. The visit will be from 10am until 12pm and therefore we will be back in time for lunch. It is very important that children learn about other religions within the local area and the wider community to fully prepare them for developing into respectful citizens of the future. Our British Values teach us to be tolerant and always show mutual respect to one another.
