Cosgrove Village Primary School – Terra Class

Mathematics

The children will learn about the following areas over the summer term:

Fractions

Money

Time

2D and 3D Shape

Statistics

Year 3 will also focus on Mass and Capacity while Year 4 learn about Decimals and Position and Direction

Learning Multiplication Tables will continue to be a priority area

Music

Ukulele

Class 2 and 3 will be learning to play the ukulele during the summer term. A music teacher from NMPAT will teach the children for 1 hour on a Thursday afternoon.

Geography

Would you like to live in the desert?

Exploring hot desert biomes and learning about the physical features of a desert and how humans interact with this environment.

History

How have children's lives changed?

Children will be able to:

Make inferences from sources.
Apply criteria to decide if a person is historically significant and explain why. Research important aspects of a person's life.

Explain what makes a person significant.
