Please remember to send in any home awards – we love to see what your children have been up to!

### From Mrs Busari

Welcome back after half term. I hope you all had a lovely break. Well done to everyone who entered the Hallowe'en competitions in school. There were some fantastic designs and poems which were entered and it was really difficult to choose a winner – fantastic effort everyone. A big thank you to the PTA for organising the prizes.

We have a new member of staff who has started today working in Class 3. Mrs Nott has joined the Cosgrove team Monday - Wednesday. She will be working 1:1 in class but also covering lunch duty. We welcome her to the team.

Thank you to everyone for filling out the questionnaire online about your views about the school. We will be analysing the responses and sharing them with governors. It is always useful to get feedback, we will create a summary and share this with you once it has been shared with the governors. One of the points to develop was to have more of the teaching staff out on the playground in the mornings/afternoons for parents to

### Flu Vaccination

**Friday 13<sup>th</sup> November**

If you wish for your child to receive the flu vaccination, please complete the e-consent.

communicate with. We will put in a rota from next week so that different members of staff are out on different days. More details to follow.

### **Parents' Evenings**

With the current restrictions, we are unable to hold our usual face to face meetings in school. Therefore, we are going to organise telephone consultations for those families who would like them. This will be an opportunity for you to discuss how your child is getting on and what they are working on. We have scheduled these as 10 minute appointments over three days – (Monday 16<sup>th</sup> – 18<sup>th</sup> November). We ask that you complete the google form which will then allow us to allocate appointments. Please note that Class 3 are offering some morning appointments as there are significantly more children in this class to fit in over the three evenings. Please complete a form for each child and where possible choose different nights if you have more than one child as this will help us to ensure appointments don't clash. If you could complete the form by Friday 6<sup>th</sup> November, that will give us plenty of time to allocate appointment times and communicate them back to you. If you have any questions, please let us know. **Please click on the link in the email sent with this newsletter to book your appointment.**

Finally, as we approach the second national lockdown we continue to follow government guidance in school to mitigate the risk of transmission of the virus. We ask you to continue to be vigilant at home for symptoms of the virus and also to adhere to the new restrictions to protect everyone in our school community.

Thank you for your ongoing support at this difficult time,

Best wishes,

**Mrs Jude Busari**  
Headteacher

## **Hallowe'en Competition Winners**
