Home Awards: Will

Please remember to send in any home awards – we love to see what your children have been up to!

From Mrs Busari

This week is our Parents' Evening telephone consultations. The staff will be ringing at the allocated times from either the school landline, mobile or a private number so please look out for their call. We have allocated each appointment time 10 minutes, if you need to have a further conversation, please let us know and we will arrange this as soon as possible.

The staff have been talking about arrangements for Christmas 2020. We have made the difficult decision to not have a Christmas play this year. We are in different bubble groups and also unable to perform to a live audience – which is what the children really enjoy. We are also unable to live stream a performance as we have some children who are unable to be on camera. We are really aware of the amount of school the children have missed earlier this year and want to keep the children on a normal learning timetable as long as we can to get optimum learning time. Usually, as you can imagine, a Christmas production takes a lot of time out of the timetable.

Therefore, we are planning to keep the children on their regular timetable until the week of Monday 14th December, when we will come off timetable and have a week of Christmas craft, fun, parties and Christmas lunch. We are going to capture lots of photos of us enjoying these activities in the last week to share with you as a

Friday 13th November 2020

Wow – we raised £103.00

Thank you everyone

memento. I hope that you understand and support us in this decision at such a challenging time for us all.

As I am sure you are aware, we are hearing of more incidents at local schools of Covid - 19. We continue to rely on parents to follow the current government restrictions to keep our school community as safe as possible. If you or your child test positive for Covid-19 please inform the school immediately so that we can take the necessary action and inform the authorities. If this happens at the weekend, please email head@cosgrove.northants-ecl.gov.uk

We have a new teaching assistant joining the team from today in Class 3 in the afternoons. Mrs Emma Mitchell will be supporting in class and running some interventions. We welcome her to the team.

Finally, this week I will not be in school on my usual days for the rest of the week as I have training which I have to attend. I will be at Cosgrove on Tuesday but then not for the rest of the week. The staff continue to be on hand to answer any questions or queries which you may have.

I hope you all have a lovely week,

Best Wishes,

Mrs Jude Busari

Headteacher
