### From Mrs Busari

It has been lovely to see all the children back in school last week. They have settled back in really well and this week we begin our topic learning. Class 1 will be learning all about the Great Fire of London, whilst Class 2 and 3 will be learning about the Second World War.

You may remember last term that I invited parents to complete a questionnaire to help establish our school values. I am delighted to tell you that we have decided on 6 key values which we will focus on, one each term. These values are respect, honesty, perseverance, friendship, kindness and responsibility. Every Monday we will have an assembly focusing on the value for that term. This term, our value is respect.

We have organised the children and staff into “teams” in school – red, green or yellow. These teams give the children chance to mix across the classes and work together to see which team can earn the most Dojo points in a week. We have placed siblings and family members in the same teams. It will also be able to be used for things like sports etc in the future. The children have had an assembly about it today and should be able to tell you which colour group they are in. Part of our work in teams will be a session on Wednesday called “Wellbeing Wednesday.” This will be a time at the end of the day (from 2.45-3.10pm) where the children come together as a team to enjoy wellbeing activities and time together as a team.
